"Wellness Radiates Beauty"

"Beauty is something that pours from a healthy and balanced inner self. Hair Port offers a full range of services and treatments that employ the highest quality professional and homecare products available to our industry. Although our talented professionals take pride in optimizing your appearance by listening to your beauty and wellness needs, we take greater pride in prescribing a course of action that goes beyond indulgence and leads to overall well-being and rejuvenation".....Hair Ports philosophy.

"Exercise Your Beauty...Fab & Fit"

Our company is about supporting women's fitness goals and needs while still looking fashionable and feeling great

Our tag line, "*Sweat...in Style*" captures the essence of our focus.

We provide fitness-minded women with comfortable, trendy, and affordable fashions that support exercising, daily activities, and healthy lifestyles. Our fashions take our clients from "their work-out to the world". We offer an inventory of merchandise representing fashions from a variety of trendsetting designers in fitness, active wear apparel, equipment, and accessories.
